## FAITHFUL

Dear Friends

In the Yellowstone National Park in the United States, there is a geyser they call 'Old Faithful'. It's not the biggest, nor the most spectacular, but it erupts twenty or more times a day to a height of over 100 feet. The time between eruptions varies but once you know how long an eruption lasts you can work out when the next one will come. It's predictable and reliable - hence the name "Old Faithful".

I've never actually heard of anyone calling their dog 'Fido', but the tradition of the name speaks of loyalty, trust and faithfulness.

Would you describe yourself as 'faithful'? Would your friends and neighbours say you were predictable, reliable, loyal and trustworthy?

One of our best known Christmas carols, and one we shall be singing this Christmas is "O, come all ye faithful!". It's an invitation to make a discovery just like some did on that first Christmas night

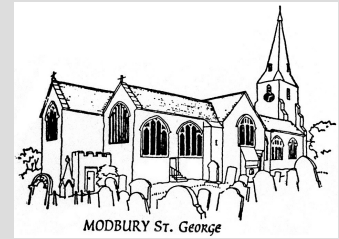

in Bethlehem. What they found led them to a response of adoration. We are sending out an invitation from the church this month and you will see on the card those familiar words "Come all ye faithful!" I hope many will come and rediscover the wonder and glory which can inspire us to adoration.

Although we may not always feel full of faith and sometimes are not predictable, reliable, loyal and trustworthy, the Christmas message is that Jesus is all of these things; we can put our faith in him.

Yours faithfully, (as much as I've learned to be so far).

Neil Barker

## MODBURY PARISH PLAN

The Parish Council adopted the plan just over 12 months ago and progress towards the key objectives is summarised below:

### **Improved use and awareness of a wide range of Community Facilities:**

The Modbury Messenger has continued to be the main forum for communicating sporting and more general recreational activities to households in the Parish. The Messenger can now be delivered on request electronically which has enabled households outside the delivery area to obtain copies. Modbury Association of Recreation & Sports (MARS) Committee meets regularly throughout the year and has representatives of the Football Club, Tennis Club and Scouts on the committee. Representation is open to any of the recreation and sporting bodies in the Parish.

The completion of the tennis courts including a small pavilion has been a notable success and the Tennis Club committee is to be congratulated on an excellent achievement.

A junior football club has been established and has proved to be hugely popular. The club has gone from strength to strength culminating in grants being obtained to enable a junior pitch to be created alongside the existing senior pitch.

### **Greater Community Participation:**

There have been a number of public consultation programmes, in part through the utilisation of the Messenger, to inform of plans and progress e.g. the MARS Pavilion project and the Town Square proposal, and in addition there have been open public meetings to review plans for the Memorial Hall. (It should be

noted that the Memorial Hall is not a function of the Parish Council).

### **Versatility of Community Buildings, Development of Children's Play Area and Funding for the Proposed Pavilion:**

As has been stated the Memorial Hall is not within the area of responsibility of the Parish Council. There are however proposals relating to the Hall which have been proposed by the Trustees and made public. The outcome of these proposals will ultimately determine the location and upgrading of the existing children's play area as this currently is sited on land owned by the Memorial Hall Trust.

The MARS committee has continued to raise funds and seek grants for a new recreational facility to be sited at the recreation ground. An application to the Big Lottery was not successful and as a consequence there is currently a redesign of the proposed facilities taking place so that a phased development can be commenced, dealing initially with the provision of good quality changing and catering facilities.

### **Youth Activities:**

Aside from the existing Church sponsored Rock Shop there has been no progress on establishing a local youth club with suitable venue and qualified leaders.

### **Provision of Allotments and Visibility of Organisations:**

Although no specific site has been identified for allotments there is an expectation that the group dealing with future housing needs has included this within their specification for any site agreed for residential development.

Whilst the Messenger remains the main communication vehicle for events, recreational activities, Parish Matters and general

Information, the Parish Council has agreed funding for the establishment of a Parish Website. The design process is expected to start shortly and volunteer editors who will maintain the site have been found. The site will not only act as a medium to advertise events it will also 'sell' Modbury and its associated retailers and businesses to the wider world.

### **Provision of a Town Square:**

A working party has been working on a set of proposals for the establishment of a Town Square in the Poundwell car park. Whilst good progress has been made there remain a number of issues to be resolved including the need to replace lost car parking spaces, and not least, funding.

### **Provision of Affordable Housing:**

The Housing Working Party has made significant progress towards identifying possible development sites. A consultative questionnaire regarding a possible site is included with this edition of the Messenger.

### **New School:**

Planning for a new school is a matter for Devon County Council and the School Governors. Devon County Council believes any future expansion can be provided for on the existing site.

### **Relief Road:**

The Parish Council asked Devon County Council Highways to consider an HGV route via Harraton Cross to relieve town congestion. This is considered impractical by DCC. The alternative of a ring relief road is the only alternative – but this is unlikely in the current economic climate.

### **Traffic and Parking:**

Illegal and obstructive parking continues to be a problem in the town. The Parish Council are in regular contact with SHDC

regarding monitoring and enforcement. During the 12 month period enforcement has been devolved from the Police to SHDC and Community Enforcement Officers.

Due to the cost of implementing Traffic Orders the Parish Council is preparing a list of areas causing concern and will apply for a Traffic Order addressing a number of issues. It is expected that a Resident Parking Permit Scheme covering all SHDC car parks will be introduced in the Spring of 2009.

#### **Environmental Issues:**

The opening of the Millennium Meadow has been a significant achievement. A tremendous amount of planning and work has culminated in the provision of an open environmentally friendly space for relaxation, exercise and peaceful contemplation.

The Messenger carries a regular Green Corner under the authorship of Jeff Booth. Environmental issues are discussed and solutions for minimising pollution and maximising conservation of energy are regularly featured. An electricity usage meter can be borrowed from the Parish Office to check out parishioners' electricity energy usage.

### **PLANNING**

#### **Modbury Parish Council recommended approval of:**

**California Farm** – Building to house agricultural machinery and equestrian fodder.

**15 The Priory** – Replacement of felt flat roof on garage with pitched barn end roof matching porch roof on house.

**40 Champernowne** – Change of use from open space to private garden (subject to conditions).

**Walters Garage** – Provision for parking of vehicles on forecourt (subject to conditions).

#### **Modbury Parish Council recommended refusal of:**

**Land adjacent to Health Centre** – Proposed GRP cabinet to house control and telemetry equipment for South West Water.

#### **South Hams District Council granted approval for:**

**Ridgeway** – Erection of two storey extension and double garage. (MPC recommended approval).

**53 Brownston Street** – Pruning of bay tree.

**24 Church Street** – Felling of three trees.

**Spindleberry, Back Street** – Felling of one tree and work to six others.

**14 Oakwood Drive** – Replacement of conservatory with single storey extension. (MPC recommended approval).

### **RUNAWAY LANE**

Runaway Lane is not only a recognised Green Lane and Bridleway it is just as importantly a heritage site. A huge amount of work is carried out by volunteers to ensure the surface is well maintained for all users.

Unfortunately, many 'bikers' use the lane as a motocross track causing considerable surface damage. If you are a biker please use the lane carefully and considerately, and not as a 'scramble track' – which it is not.

## **WARNING TO DOG OWNERS**

Within the last two weeks there has been a suspected case of a dog killing a sheep in a field bordering the Church Car Park. It is probable that the dog entered the field from the adjacent footpath.

Any dog which is not a working dog can be regarded as worrying livestock merely by being off its lead or not under close control in a field or enclosure where there are sheep or other livestock. A landowner can shoot such a dog if it can be proved that the action was necessary to protect livestock.

On a right of way your dog does not have to be on a lead but it does have to be 'under close control'. This means that if your dog is not under close control when using a public footpath across a field containing livestock including poultry it could be at risk of being seen as worrying animals. If there is any chance it might run off then you are advised to ensure the animal is on a lead until you are out of the field containing livestock.

"Worrying livestock" means chasing or attacking any farm animal or poultry – there does not need to be contact. Dog owners who fail to keep their dogs under proper control not only risk prosecution but are potentially putting their own dogs at risk. They may also be liable for any losses incurred by the landowner as a consequence of injury or death caused to their livestock.

Very recently a dog was shot in the Yealmpton area whilst chasing sheep – so please ensure we do not have a repeat of this event.

## **LAND SHARE SCHEME**

There are a number of people in the town who do not have access to land where they can grow vegetables. Allotment land is difficult to find. However, a number of towns and villages have started schemes whereby owners of large gardens who are not able to fully cultivate their own land are agreeable to enthusiastic vegetable growers doing the hard work and sharing the crops with the landowner.

If you have a large garden or piece of land which you would be willing to share in return for 'home grown' vegetables we would like to hear from you and discuss how such a scheme could work. Please contact David Hansford, Parish Clerk at 6 Modbury Court. Tel: 830222.

# SCHOOL REPORT

No prizes for guessing what this month's theme will be, but before we lose ourselves in festive delirium, a few reminders that life as we know it must go on, even in December.

## Extremely SAT-isfactory

So far we haven't published the results of this year's year six SATs, a regrettable oversight since they are the highest ever achieved by the school. The results are: Maths 95%, Science 100% and English 100% at the nationally expected Level 4 or above, a fantastic success for both pupils and teachers.

## Net Gains

The netball team recently took part in a festival at Ivybridge Community College. For some of the children, it was their first experience of playing netball against another school. Again Modbury's team spirit shone brightly, with parents from other schools praising their example. In their six games, the team scored 30 goals and conceded only 5.

## Hampers and Champers

The word is that you're going to have to book early for next year's Hampers & Champers evening after the runaway success of last month's event. More than £200 was raised for school funds and, by all accounts, an excellent evening was had by all. Thanks to Fran Lock and Fiona Kitt for all their hard work.

## Who at all the pies?

Cunningly positioned in the festive calendar so that you won't yet have had a surfeit of mince pies and mulled wine, the

school Christmas Bazaar is being held on Saturday, December 6th from 11am until 2pm at the Memorial Hall. As well as the festive fare, there'll be stalls with books, toys, sweets and games, face painting, tombola and a raffle. If you would like to offer your help on the day contact Tracey Fox or Claire Hagger.

## One for the road

Surely there's room in your calendar/waistband for just one more, wafer-thin Christmas night out? The relevant date for your diary is Thursday, December 18th and the venue is the White Hart.

It's an open invitation for all parents and staff at the school to get together for a light bite and a shandy or two. A buffet will be laid on at a cost of £6.50 per head. To book, see Kate West at school or call on 831391.

## Christmas Celebration

Another reminder that Modbury's most senior citizens are warmly invited to join the school's PTA, children, and staff for a Christmas celebration on Monday, December 15th.

This is an opportunity for those other than the grandparents and parents of current pupils to be a part of the seasonal festivities at the school.

As well as entertainment from the children, there will be a raffle, tea and mince pies and other refreshments. If you would like to join us, please contact the school on 830312 by December 11th.

## DIGITAL SWITCHOVER

Next year, the West Country will change over from analogue to digital. The switchover will be in two stages on April 8<sup>th</sup> and April 22<sup>nd</sup> 2009 from the Beacon Hill transmitter which serves most of the South Hams. Some areas in the west of the district may receive their signal from the Caradon Hill transmitter, which will switch over on August 12<sup>th</sup> and September 9<sup>th</sup> 2009.

If you currently receive more than the five traditional UK channels then you don't need to do anything.

There is no need to buy a new TV set but you may need a digital box which can work through an aerial, satellite dish or cable.

If you are thinking of changing your television make sure you look for equipment with the digital tick logo.

There will be plenty of help and advice available either from your local TV retailer or visit:

[www.digitaluk.co.uk](http://www.digitaluk.co.uk)  
or call 0845 650 5050

## THANK YOU

I would like to say a BIG thank you to all friends, family and well wishers for their kind thoughts and words of encouragement for a quick recovery, following my recent operation at Derriford Hospital on the 31.10.2008.

I have been overwhelmed by the numerous cards, flowers and telephone messages that I have received.

Thank you all so very much.

### THE POPPY APPEAL 2008

#### A Message from the Organisers

With the Poppies behind us for another 12 months, Modbury has again excelled – reaching a final total for the year of £4,699.95. It makes all the hard work very worthwhile to achieve such a wonderful result. Our thanks go to all Modbury residents plus Bistro 35 and Modbury Club for hosting the Coffee Mornings for us. Special thanks to Michelle and all her staff at the Exeter Inn for extra support given this year. Also thanks to all the staff and children at Modbury School for the lovely pictures they coloured and for hosting us at their Assembly.

Finally ‘thank you’ to all our collectors, both house-to-house and street collectors, for giving up their time, and all Modbury Traders for their support, without whom we could not have reached such a grand total.

On behalf of the Modbury Branch of the Royal British Legion may we take this opportunity to wish you all a Happy and Peaceful Christmas and hopefully a Prosperous 2009!

Thank you all once again.

*Beryl & Don Masters*

## MODBURY LOCAL HISTORY SOCIETY

Our speaker at the November 12<sup>th</sup> meeting was John Brunton, Principal Archivist in the Devon

Records Office. His subject was the history of Tithe Maps which proved to be very interesting. With the aid of a number of illustrations John managed to portray how the complicated system was set up and how each parish was controlled.

Roy Sims, local Heritage Co-ordinator, thanked Mr Brunton for coming to speak to us and said that we are extremely lucky to have the services of the Records Office in Exeter, and the West Devon Records Office, which both contain a vast amount of information which can be easily accessed.

Our own Tithe Map has been restored and Roy had been able to find the skilled craftsmen to carry out the work.

The next meeting will take place on 10<sup>th</sup> December. After a short AGM we shall be sharing a Christmas Buffet followed by some entertainment. Usual venue – The White Hart Assembly Room, by courtesy of the Management. All meetings commence at 7.30 pm.

**Christmas Greetings and Best  
Wishes for the New Year!**

## MODBURY HERITAGE

Recently, Pat and Victoria Hammerstein have completed the first database of Parish Baptisms. It is hoped to make this information available on the Heritage website.

The period covered is from 1603 to 1839, representing some 11,800 entries, a remarkable achievement. We are also preparing a database of St George’s Church gravestone records, Dr Scarratt has completed the work started by Philip Andrews, and it is intended that this information will also be available on the Heritage website.

### Tithe Map

It is pleasing to report that Ruth Davidson-Ward, the new proprietor of the White Hart, will be restoring the print of the Modbury Tithe Map to a prominent place on the staircase in the building. We are extremely grateful.

## Modbury Heritage Panels and Community Exhibition System

I would like to appeal to the town community to help find a dry location to store our precious heritage panels and portable exhibition system. Is there a company with such a space that could be made available to store this unique community resource?

Please contact me on 01548 830530.

## LUPRIDGE SINGERS CHRISTMAS CONCERT

Christmas in particular is time for musical celebration and the Lupridge Singers join the throng of choirs in the South Hams who are even now making preparations for their Christmas performances.

**In Modbury's St. George's Church**

**on Saturday 6th December at 7.30pm**

they will give voice to three outstanding examples of choral invention. Vaughan Williams Fantasia on Christmas Carols, Francis Poulenc's 4 Motets for Christmas and some of the well known choruses and arias from Handel's Messiah including the Hallelujah Chorus. All this under the skilful direction of Trefor Farrow and with the able support of their new accompanist, Russian born Irena Kosogova. The soloists are Cheryl Stead – Contralto and Matthew Oakes – Tenor.

**Tickets £7.00 on the door or £6.00 from Pickles of Modbury.**

Devon & Cornwall Constabulary have set up a new scheme to tackle drugs in licensed premises. Pubs Against Drugs (PADS) has been set up by the Police to send a message that drugs are not tolerated in the community.

Pubs against Drugs is an initiative where local police and a passive drugs dog visit licensed premises on an impromptu basis with the full consent of the landlord. A passive drugs dog will walk through a pub and indicate to the handler if it smells drugs on an individual - this then gives officers the grounds to search. Posters in participating premises warn customers and potential offenders that the operation is in place.

On Friday 7<sup>th</sup> November Devon & Cornwall Constabulary ran such an operation where a number of pubs were visited in the surrounding area of Kingsbridge. This was run as a routine operation and it was a successful evening. It has sent a clear message that drugs are not tolerated. There was a large Police presence for this operation due to the unknown nature of what might have been found.

*Winter Opening Times - Saturday 10am – 12 noon*

Once again the town looks fantastic and Christmas cheer is all around us. The shops and eating places have lots to offer over the festive period, so “**shop local**” this year and support our local traders.

Pop in and see us for an update on ‘What’s On’ at the Theatres and Cinemas together with ideas of lots of exciting things to see and do. **And**, don’t forget to check out our calendar of events on our web page: [www.modburytic.org.uk](http://www.modburytic.org.uk).

On behalf of our Chairman, Management Committee and all our Volunteers

**PUBLIC NOTICE - LICENSING ACT 2003**

To whom it may concern:

I Neil Hawken do hereby give notice that I have applied to the Licensing Authority at South Hams District Council for a new Premises Licence for 3 Broad Street, Modbury PL21 0PS known as Pips Fruit and Veg.

The application is to sell alcohol off the premises Monday to Saturday 8.30 am to 5.30 pm and on Sundays 10 am to 4 pm. Shop opening times being the same.

Any person wishing to make representations to this application may do so by writing to The Licensing Manager, South Hams District Council, Follaton House, Plymouth Road, Totnes, TQ9 5NE not later than 28 days after the date of this notice. ([www.southhams.gov.uk](http://www.southhams.gov.uk)).

A copy of the application can be viewed at the Licensing Authority's address during normal office hours.

It is an offence knowingly or recklessly to make a false statement in connection with this application, the maximum fine on summary conviction being £5,000.

Signed Neil Hawken  
Dated 22<sup>nd</sup> November 2008
