## EUROPEAN FAME FOR MODBURY

Modbury Twinning Association has brought the delights of our gorgeous area to a wider audience. This French headline appeared as one of 4 articles in L'Humanité Dimanche, a weekly national magazine; the others were les Festins (feasts) of Salcombe, Totnes and Buckfastleigh. The articles were written by Thierry Morvan, a food and wine journalist, whose family connections with our twinned town Lanvéoc brought him to Modbury for a week in April. His inspirational style makes our area sound even better than it is, so watch out for hordes of food and wine lovers arriving from outre-Manche with copies of L'Humanité in hand.

It was an exhausting week of endless eating and drinking:- Salcombe crab and ice cream, Sharpham wine and cheese, real veg at Riverford, drinks chez Luscombe, fresh milk and yoghurt at Challon's Combe as well as daily lunches at the best of our local restaurants. Not surprisingly, Thierry challenges his French readers with "Qui dit que l'on mangeait mal en Angleterre?" (roughly translated - Who says they eat badly in England?)

Many thanks to some local marketing ladies who helped organise the week:- Alexis Bowater, Charlotte Rathbone and Hayley Reynolds. If anyone would like to read the articles, just Email me on [kathymilthorp@gmail.com](mailto:kathymilthorp@gmail.com) for a copy (It's in French)

## Bloor Homes Palm Cross Green Development

We have been reliably informed that work on the site will begin in early July with earth moving and demolition of the bungalow. All this will be done within the site so there should be little disruption to road users.

From the end of August South West Water will be sorting out the water and drains for the site which will involve some traffic lights on Church Lane.

In September work will begin on the main access road into the site and the realignment of the A379. There will always be at least one lane open at all times, however there is bound to be a problem at times.

The first houses will be completed in the Spring. The new car park and footway across the Green will also be done early in the development.

Separately Devon Highways have told us that their proposed traffic management scheme outside the school has failed a "safety audit" and so cannot be implemented (this was a pavement and single lane "give way" system). We are discussing other options with DCC.

## Parish Council Report

The parish church clock refurbishment was one of the main agenda items at the Parish Council meeting on Monday 13th June. The PCC had received 3 tenders for the refurbishment of the clock of which Smiths of Derby was the best quote at £2738. The Parish Council agreed to fund the project in the form of a two part grant, one of £1100 which had been agreed at a previous meeting and a second grant of £1638 to cover the full cost of the refurbishment.

On Sunday 12th June we had a cream tea at the MARS Pavilion to celebrate the Queen's 90th birthday; I hope all of you who attended enjoyed your afternoon and thank you for your support. Over 100 cream teas were sold. Councillor Lucy Brown, Vice Chair, headed a team of willing volunteers, the cream teas were sourced by Councillor Bill Cole and his wife Barbara who both worked very hard fetching and carrying all day. Bill and Barbara were representing Modbury Caring who on the day made £407 for the charity. Councillor David Rickman compiled the Queen's Quiz. Many thanks to everyone who helped in any way, not of course forgetting the cake makers and Aine Dolley who sold draw tickets and made sure everyone parted with their odd change. The winner of the Queen's Quiz was Margaret Barnett with 23 out of 30 questions correct. She has won a bottle of wine.

I would like finally to mention Councillor George Rosevear who is Vice Chairman of Bigbury Parish Council as well as being a Modbury Councillor who turned up and supported our celebration and had a cream tea knowing full well he had to do the same at Bigbury the same afternoon, the only down side was when he had to let his belt out one notch—well done George!

## District Council Report

### Economy Special

The district councillors have agreed that Economy must be one of top priorities for making a difference. I am working with other councillors to see how best we can deliver that given the limitations we face. As a starting point I have reviewed some data (which I hope to have refreshed and updated) and include a summary here to give you a flavour of the key points of the South Hams economy. There is much good happening in the surrounding economies and as I have said before I believe we can harness that as well as making the best of our own opportunities..... read on....

**In South Hams there are.....high levels of employment** (second highest in Devon) BUT the majority of economically active residents are **commuters** to surrounding economies and **local wages are the lowest in Devon. There is a strong skills base** amongst those employed and there are **high levels of self-employment** with people working from home.

There is a low level of start ups by comparison with elsewhere but businesses survive well over the first three years – the second highest rate in Devon! And much higher than the UK average suggesting a strong and tenacious entrepreneurial culture - **we have a low UK competitiveness Index** but it is improving and there are interesting sector predictions which bode well for the future providing our digital infrastructure is secured.....

The top employment sectors are currently retailing, public sector, tourism, construction and manufacturing. Note that tourism growth remains static BUT there are an increasing number of overseas visitors who tend to spend more. Globally food tourism is on the increase and nationally wellness tourism is on the increase – food is one of our key sectors and there are many microbusiness which are specialising in wellness in the mid part of the South Hams. The top employment growth sectors for South Hams are construction, information and communications, accommodation and food services, transport and storage, business and finance and other services.

Meanwhile, the top productivity growth sectors are construction, information and communications, business and finance (all higher value), accommodation and food services and distribution.

It is an interesting time with challenges but plenty of opportunity!

At last we have had warm sun and a great May bank holiday weekend which has encouraged visitors to the wonderful South Hams and hopefully to the fun Barrow Market too which restarted in June

There are so many events going on around the area now, regattas, open gardens, fetes etc. so do look into the office for all of these. We have two boards which change constantly with these advertised and we are happy to display your local event, however small.

Don't forget that we have vouchers with money off for many local attractions ideal for children and grandchildren. Many now offer free entry for the rest of the year or repeat visits if the weather is not good, worth looking at these.

We have several new volunteers this year so a big thank you to them. Give us a visit and see if we can help you for both fun and more serious questions.

**Cathy Harrington**

## Rubbish Collections

SHDC have changed the system for collecting recycling and household waste from properties that do not have full size grey and brown bins. This has caused some confusion and special visits have had to be arranged to collect bags left out on the wrong dates.

The new kerbside caddy (a small brown bin) for food waste will be collected weekly. However black bags with general rubbish will be collected fortnightly on the same day as the normal grey bin collection. This is "Calendar A" on the SHDC website. July dates are the 1<sup>st</sup>, 15<sup>th</sup>, and 29<sup>th</sup>.

You can check your rubbish collections and order new recycling bags on the South Hams District Council website at:

## Apple Day in Modbury

**NO**, this has got nothing to do with i-Phones, it's to do with those green and red fruits many of us have on trees – you know - they normally all come at once and most end up rotting on the lawn.

**But** not this year! Following the success of last year's Apple Day, plans are being made for an October apple pressing event in Modbury with help from Orchard Link. They will be supplying a professional electric apple masher and press, so we can all bring along sacks of apples and go home with bottles of juice.

**But** it's only July . . . . , Yes, so we'll have plenty of time to store those empty plastic drink bottles through the summer. What better way of recycling them? The Barrow Market will have finished by October, so transporting the apples should not be a problem.

More details later. Meanwhile the rumour is that the new i-Phone charger will be called Apple Juice.

## HELP DEVELOP SPORT & RECREATION IN MODBURY

Modbury Association of Recreation & Sport (MARS) is a small group of volunteers who are responsible for the maintenance and ongoing development of facilities at the QEII Recreation Ground on behalf of the Parish. Whilst we have achieved a great deal in recent years there is still more to do but, as with everything, we are in need of new blood!

We are holding an AGM on Tuesday 5th July @ 7.30pm at QEII Recreation Ground Pavilion and are specifically looking to fill the following vacancies:

- Chairperson
- Secretary
- Social Media Manager

You do not need to be involved in a sports group to join the MARS committee. For existing users we are keen to ensure representation so we are aware of your needs and can take action to address them.

## **“We are the Barrowteers!” of Modbury WI**

On Saturday June 18th Modbury WI trundled along to the popular Barrow Market and will be doing so monthly through the summer

We hope many of our own members will come along to support our member volunteers, and we also look forward to meeting members from other WI's paying us a visit. If you feel you would like to know more about joining us, you are very welcome to come and chat with one of our members. Potential members are invited to make two visits on the first Friday of each month at the QE2 Sports Pavilion, thereafter deciding whether to become a member of the Modbury WI.

Tickets are on sale now to WI members and their friends and families, for the Conducted Walk at 2.00 pm, followed by a delicious Cream Tea at 3.00 pm at the Sports Pavilion, on Tuesday August 2<sup>nd</sup>. The walk is not obligatory for attending the cream tea. More information will be available at the Barrow Market on June 18<sup>th</sup>, or at our next meeting on July 1<sup>st</sup>. Our aim is to self-fund (with some help from the National Federation of WI's) from our own fees. We will, in due course, hope to be able to award bursaries and costs towards suitable courses, as well as for professional and voluntary speakers or tutors. So watch this space! All WI's are trustees of an educational charity. We hope also to be able to donate to some of our local Modbury good causes.

At our last meeting in June, we welcomed Linda Woodland, Aroma Therapist, who treated us to a relaxing demonstration, including a trial of arm and hand massage.

During June, we also made a fun, scenic bus ride visit to Slapton Sands, and a canoe adventure will be on offer.

On Friday 1st July at 7 30pm at the QE 2 Sports Pavilion there is to be an intriguing talk by Penny McFarland entitled “A Light Hearted look at Drama Therapy”.

*Connie O'Neill, President*

## **THANK YOU FROM JACK DAVIES**

Some of you will know that I do Taekwon-do with the South Hams Martial Arts Club in Kingsbridge and Totnes. I have been competing at a regional and national level now for three years, and am proud to confirm that I have been chosen to represent Great Britain at the International Taekwon-do Federation's World Championships in July this year, along with six other students from my Club.

Each of us has needed to raise funds to contribute to the costs of attending this competition. This includes the travel to squad training sessions in Cardiff, Bristol and London, the equipment and uniforms for the GB Squad, and the accommodation during the competition.

I have been extremely lucky to have received donations and sponsorship from friends and family in Modbury, and would like to give special thanks to Market Landing, Ski Stuff and Zambezi Safaris for their generous support. Many thanks to you all for your amazing encouragement. Please wish me luck!

## Lanveoc Invasion of Modbury!

26 brave residents from Modbury's twin town of Lanveoc in Brittany came for a long weekend during the May Fair and were regally entertained by the Twinning Association.

A highlight of the visit was going to the Casino where the Mayor of Lanveoc can be seen putting the town's budget on his lucky number at roulette. A good night was had by all thanks to the hard work of Nikki Mitchell and Jo Watts and fine performances by the Modbury Entertainers.

Visits to local places of interest were arranged for our guests, including Dartmouth, as Lanveoc is home to the French Naval School, their equivalent of the Royal Britannia College.

Next year it is our turn to maintain the "Entente Cordiale" with a visit, probably during May. If you would like to be involved with the twinning association and come to any of our various events during the year - wine tasting, barbecues, curry evening, annual dinner – just contact our Chair Charlotte Kendrick on 831028

# MODBURY NEIGHBOURHOOD PLAN WEBSITE

## Welcome to Modbury's Neighbourhood Plan

Hopefully many of you will now be aware of the Modbury Neighbourhood Plan following recent events at the May Fair, public consultations and through word of mouth. The success of the plan rests on our ability to get as many people as possible involved and giving their opinions. To help with this we have set up a website offering information on what is involved in producing a plan, updates on our progress, upcoming events and most importantly information on how to get involved!

Please take a few minutes this month to check out [www.modburynpg.co.uk](http://www.modburynpg.co.uk) and let us know your thoughts on any or all of the topics we are covering. We will be making a big effort to keep this up to date so you can be involved every step of the way. In addition we have a Facebook page where you can voice your opinion and see our latest photos and events.

We look forward to hearing from you all!!!!

## Luscombe Maye

Estate Agents

Dear Reader

The year seems to be racing past and it is difficult to believe that we have reached the half way mark! We have been incredibly busy and I am pleased to say that, for the most part, property is selling quickly, particularly in the town. We have been instructed on a number of local properties in the last few weeks which will attract a lot of interest, both from buyers locally and from further afield. As a firm, we sell most of our property to buyers from London and the south east, and because we are the only agent locally on ZOOPLA, as well as all the other main property websites, our clients

have a great advantage. Call us, or call in to book a free, no obligation valuation if you would like to know what your home is worth...

Best wishes

### Modbury Messenger Summer Special

The Modbury Messenger has not, traditionally, been published in August but as many people have asked for it we are now doing a Modbury Messenger Summer Special in August with a focus on summer and visitors to Modbury to encourage them to visit the town and use businesses. There will be an extra large print run and the additional copies of the Messenger will be delivered to the surrounding camping and caravanning sites, pubs, B&Bs, hotels, holiday cottages and tourist information offices.

Articles relevant to our summer special are welcomed, especially articles and events that summer visitors would be interested in. Copy/advertising deadline 10th July 2016. If you do not presently advertise in the Modbury Summer Special and would like to take out an advert in the Modbury Messenger Summer Special to promote your business, please contact the Modbury Parish Clerk at the Parish Office at 1 Galpin Street, 01548 830222 or by e-mailing parishclerk@modburypc.co.uk.

Existing advertisers will be included at their present, usual, advertising rate, unless requesting not to be included in the Summer Special. You will be contacted by email regarding this.

Any questions about our summer special should be addressed to me, the editor, Lynne Barnes at messenger@modburypc.co.uk or tel 01548 830031.
