MEMORIAL HALL PROJECT UPDATE

'A Community Hall Fit for All'

It has been less than two months since work started and now we have an extension to the Memorial Hall! All that remains in the coming week (5th Dec) is to block pave the path to the playground, put a final coat of paint on the rendered outside wall and generally tidy the rest of the outside. The electrician also has lights to fit but we should get the keys this week.

We are extremely grateful to our builder, Martin Shergold, and his team who have not only produced exactly what we wanted but also in time and under budget all of which has made this a relatively pain free experience. At the same time (and within the overall budget) Martin has undertaken numerous small remedial maintenance jobs, which will go a long way towards making the building easier to look after for the next few years.

The Pantomime/Players will now be able to use the new stage door from next week and begin to think about how to use the storage.

On the rest of the project I am pleased to report that the kitchen is complete except for some tiles (which will go up this week) and being used. Also we now have free wifi for Hall users. This together with the projector and screen make the Hall a much more desirable venue for meetings and presentations and we are already seeing this reflected in future bookings.

There are a number of events taking place in the Hall during the year, we hope to see you at one of them soon and we wish you all a very Happy New Year.

Parish Council Report

District Council Report

The Council meeting on 12th December welcomed our new council member Mr Bruce Hathesley.

A report into the state of the play park at the Memorial Hall was discussed and it was decided that the multi play unit would be removed as it was beyond economic repair. This would happen as soon as possible with the steel being donated to Modbury Caring to raise money from its scrap value. The remaining metal play park structures would have some maintenance carried out, eg removing surface rust etc. and this should give them around another 18 months of life when, hopefully, the new play park in the Palm Cross Green development will be available.

Two planning applications were passed with no objections. The matter had been raised about HGVs using Back Street and the parking on the corner by Corner Cottage. This is causing problems with emergency vehicles and this matter will be raised at SHDC, as will a suggestion for a sign by the War Memorial to request that people do not park there.

A draft Development Site option appraisal was presented by the Neighbourhood Plan group to the Parish Council for approval which was given. This document will be forwarded to SHDC for their consideration subject to the results of the Neighbourhood Plan Questionnaire. This document can be seen on the Neighbourhood Plan website.

An application is being made for a grant to provide between 4-6 bike stands, possibly with a bike shelter, to be placed in Poundwell car park.

Meetings are on going concerning the provision of a bus stop in the new development and would hope to have more news next month.

Representations about the closure of Lloyds Bank in Modbury and other locations in the South Hams have been made, the Parish Council will follow up on this matter.

If anyone is interested in joining the Modbury Parish Council Please Contact the Parish Clerk.

Chris Barnes

Business Engagement and Support

I am pleased to announce that SHDC have agreed to commission business support from BIP (Business Information Point) to support up to 100 existing businesses and start ups across the South Hams. The decision was taken after my economy working group thoroughly investigated the work of BIP looking at its effectiveness in terms of facilitating start ups, job creation and growth of existing business. I am also working with the Joint Local Plan team to continue to achieve a good strategic plan for the economy and to ensure the right policy development for supporting the rural economy.

Joint Local Plan Update

I arranged for representatives from Modbury Neighbourhood Plan Group to meet with the lead strategic planner to discuss possible alternatives to the current preferred site for housing for the next 20 years. Modbury have had the opportunity to put forward alternative sites.

I have advised the Joint Local Plan team that on the basis of the response to the summer consultation and the Modbury public meeting I cannot support the planners current preferred site. I do not support the large single block and the certain detrimental impact this will have on the character of the town - noting that I live adjacent to the current development site. I hope that Modbury can put forward balanced alternatives.

New Mills Industrial Estate

An action plan has been developed between SHDC, the Modbury Chamber of Trade and with support of the Modbury Society to improve the appearance of the entrance to the New Mills business estate. There are great businesses in this estate and we want to enable them to flourish whilst making this gateway area as attractive as it can be.

MODBURY COMMUNITY WASSAIL

SATURDAY 14TH JANUARY 2017

Gather on Burns Lane, outside the Co op at 5.30pm and we shall walk to the Modbury Millennium Meadow.

Come to share the fruits of this year's apple harvest. Celebrate the beginning of the New Year and the return of lighter evenings with fire, light and sound! All ages welcome! Come and wake up the trees to ensure a plentiful crop for a good harvest next year!

Bring your old saucepans, wooden spoons and hearty voices; torches, wellies and warm, waterproof clothes.

In Anglo Saxon the word 'wassail' means 'to bring good health'. It is an ancient tradition in apple growing areas, so is likely to have been carried out in Modbury in the past. Many villages nearby also celebrate wassails, now our community orchard is bearing apples, lets have our own! The wassail event will end by 6.30 - 7pm.

Energy Advice Drop in Sessions for Modbury Residents

Modbury Parish Council is working with new local organisation, South Dartmoor Community Energy (SDCE), to give our residents the chance to check they're on the best energy deal. Energy Advisors from SDCE will be on hand, in the Modbury Parish office, to help residents check their fuel bills and energy deals on Saturday 14th January and Saturday 28th January from 10 -12.30.

All the advice is free and impartial and is funded through the national Big Energy Saving Network. Residents who haven't switched energy supplier in the last 5 years are likely to be on the standard variable tariff and could be paying £100-300 more than they need to every year. Please pop along to the free sessions in January and find out how much you could save.

For more information on South Dartmoor Community Energy please visit www.southdartmoorcommunityenergy.org or call for more info on 0800 112 3044.

Mr Builder Co (01548 831249) was started in Modbury in 2008 by James Francis and Paul Williams. In contrast to other established contractors, Mr. Builder Co is a young firm with a fresh approach to building, propelling the company to take on large scale projects in the region. Based on the New Mills Industrial Estate in Modbury, the company has undertaken many extensions, renovations and new builds in and around Modbury. Mr. Builder Co guarantees quality craftsmanship through a friendly young team of joiners, masons, carpenters and plasterers.

A Modbury resident was delighted with the work done for her, and the photograph shows an extension to turn their old kitchen, into a light open-plan one with living area. She said 'No stress. End result is fantastic'.

Responding to demand **Mr. Sparky Co** (01548 831249) was formed to cater for domestic and commercial electrical work with electricians Bob, Tom and George on the team. Covering Modbury and the South Hams, Mr Sparky Co is fully qualified and insured to install, test, maintain and certify domestic, commercial and industrial installations. The Company is a member of NAPIT (National Association of Professional Inspectors and Testers) and is annually audited by NAPIT to ensure the latest highest standards in all aspects of their work is achieved and adhered to.

Energy and Power Tech Services (07563886513) recently started by professional electrician and solar specialist, Evan Stuber. Married with three young daughters in Modbury School, Evan is fully qualified to carry out domestic and business work, testing & inspection and electrical design. He acts as a consultant to larger companies, particularly on installation, optimisation, repair and maintenance of Solar PV. Battery storage is an exciting new technology where existing solar systems can charge up batteries for use at night or cloudy days. Also Evan advises on the installation of the latest electrical heating technologies, Quantum night store systems and infrared heating which warms people and objects **needing the heat**, and not wastefully warming cold air. Infrared can be particularly useful in large cold spaces and panels can be mirror finished or even printed with a design of your choosing. I know from twenty years of pig breeding, how the piglets nestle under the infra-red lamps when not suckling their dam! On damp days of high humidity, with properties that never seem dry, it's worth considering having the Drimaster Home Ventilation installed to remove humidity and condensation. In farmyards and gardens think about having high efficiency **LED lighting**, inside and out. The two photographs show: solar panels installed on a commercial roof: and a 'building integrated Solar Conservatory'

So, if you want to **save energy and costly electric bills**, it's obvious, ask **EVAN!**

New Steps for Cromwell Park

Parish Councillors Bernard Taylor, Chris Barnes and Robin Berry and PPP Footpath Warden Brian Weeks spent a cold December day replacing the short cut steps up to Cromwell Park with a safer, drier alternative.

The old steps were made from wooden fence posts that had rotted and the new steps are concrete blocks and paving slabs.

MODBURY CHRISTMAS LIGHTS

What a fantastic night we had at the end of November when the Christmas Lights were switched on – a dry frosty night brought what seemed like the whole town and more out on to the streets to see the lights switched on, enjoy the bands, choirs and entertainers. There was some late-night shopping at our local shops and lively hospitality at the local pubs & Inns.

As always, the lights and the "Lights-On" night would not happen without the fantastic support of many people who selflessly give their time and/or skills. We would like to thank the following people in particular, but there were many others who helped along the way. Thank-you very much to the following people: - the small army of Elves; Phil Ainsley, Mark Williams, Harry Sleeman, Colin Campbell, Richards Dearsley, Thorns & Mitchell for putting up the lights in the weekends leading up to the night; Pauline Ryder for putting out all the "Road Closed" warning signs before the night; Graham Bennett and Paul Romney and their band of marshals who closed the main road, yet kept drivers happy with diversions. Tom Hendy for driving, and Chris Denham, for supplying the vintage bus for Santa and the Royal Party's transport. Graham Bennett, Richard and Sharon Dearsley; Kit and Belinda; Andrew and Tracy Lang; Mike Roffe; Annabelle Gregory; Phil Everett-Lyons; Jeff and Yvonne who put up all the "Shop Top" trees.

THE UNIVERSITY OF THE THIRD AGE

Ivybridge U3A is delighted that Ivybridge Town Council has awarded us the Nick Cummins Community Group of the Year 2016. We are proud to share this award with the Bridge Youth Project.

"This is in recognition of the social and sharing outfit that has done a great deal to encourage the meeting of the third generation of the town, preventing loneliness and isolation of the over fifties. It has stretched minds, kept members fit and active and broadened horizons.

The dedication of the volunteers is well known within the community and thanks to the efforts of such groups; retirement has never opened so many doors and kept so many people busy."

NEIGHBOURHOOD PLAN

On behalf of the Neighbourhood Plan Group I would like to thank everyone who took time to complete the questionnaire delivered to all households in Modbury Parish in December. The run-up to Christmas is a busy time so your response was especially appreciated. At the time of writing, with completed questionnaires still being counted, it is clear that we have achieved a very satisfactory response rate from which the views of residents of Modbury Parish can be well represented in the planning process.

I would also like to thank all the members of the NPG who put in a lot of hard work designing the questionnaire, organising distribution and collection, organising the site information display and delivering and collecting questionnaires. All NPG members are volunteers and have given generously of their time and effort.

For anyone who was not at home when the questionnaires were collected, it's not too late to have your say. Please deliver your completed questionnaire to the Parish Council office as soon as possible so we can include it in the analysis and report.

So what happens now?

During January the data from each questionnaire, including your freehand comments, will be transferred to spreadsheets to enable each of the main areas to be analysed in detail.

Questionnaire results will then be combined with all the other information we have collected from community consultations over the past 18 months to form the basis of the Neighbourhood Plan. Work on the Plan will be going on during the spring and we will keep you updated on progress via the Messenger and the NPG website: www.modburynpg.co.uk

If you have any questions or would like further information on the Neighbourhood Plan we would be pleased to hear from you. We can be contacted either by email via the website, by Facebook or by dropping a letter into the Parish Council Office.

Are you interested in boats?

Fancy an evening chatting about anything to do with boats? If so, come along to the Modbury Inn on Thursday, 12 January at 8 pm. If there are enough people interested then perhaps this could become a regular event. If you can't make that date but would like to hear about any future get together then please get in touch by phoning 01548 830937 or email me on tim@cospectrum.co.uk

HAPPY NEW YEAR TO ALL FROM MODBURY WI

Please note: **Our first meeting in 2017 will be on Friday, January 6th**, when we will be extending a very warm welcome to all our members, and new members. On December 2nd, we celebrated the end of our very successful and enjoyable first year, with a 'bring and share' spread which highlighted the cooking skills of many of our members, including the contribution by Gill Jolly of a shortbread Christmas tree which had to be seen and tasted! Our entertainment was by the choir known as "Girls Night Out" which was led by the talented Sara Danning. Sara conducted and arranged popular songs and these were sung with much enthusiasm by the ladies in her choir. The choir has been in existence for 17 years. Building on the experience and success of our first year as Modbury WI, the 2017 Programme which is being prepared is filled with a variety of subjects, interests and trips as well as visits, along with several offers from our WI Devon Federation.

INSPIRING WOMEN

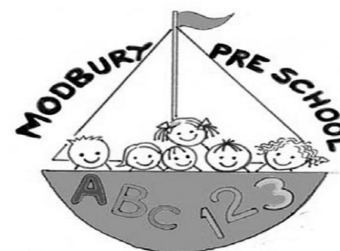

Our aim is always to have fun and time to chat and relax, also to explore opportunities to learn something different. Of course, we always emphasise the importance of giving our members time to "switch off" and be themselves in the company of others of like mind. In the words of one of our presenters on the subject of "challenges," 'Beware! Joining the WI can change your life'!!

If you would like to join us, Please contact Gill Watts, Secretary, on E-mail MWI@gmail.com, or telephone, President Connie O'Neill 01548 830687.

Holbeton Film Club

January's film is **The Dressmaker**, certificate **12A** (contains infrequent strong language, moderate bloody violence, drug use). A glamorous woman (Kate Winslet) returns to her small town in rural Australia. With her sewing machine and haute couture style, she transforms the women and exacts sweet revenge on those who did her wrong.

This is showing on **Saturday the 14th January** in Holbeton Village Hall. Doors open 7pm, programme starts 7:30pm. Light refreshments and ice creams will be on sale. Bring your own alcohol if you wish.

For more information call Harry Baumer on 830274.

Our programme for the next 3 months is:

- | | |
|----------------------------------|---------------------------------|
| Friday 10 th February | Love and Friendship (U) |
| Saturday 18 th March* | The Man Who Knew Infinity (12A) |
| Friday 21 st April* | The Jungle Book (PG) |
- *Please note that these screenings are the 3rd week in the month
